MEMORANDUM FOR: Department of State Member

FROM:

Chairman

STAT

SUBJECT:

STAT

1. Thank you for nominating  for the chairmanship of the Facilities Protection Subcommittee (FPS). His resume was most impressive. In our meeting on 17 December 1985, he demonstrated himself to be articulate, energetic, well-versed in technical security and possessed of a wealth of experience and understanding of security principles and practices. It was a pleasure to meet with him and to obtain his views on a variety of security topics.

STAT

2. On balance, I fear that appointing  to chair the FPS could impose an unfair burden upon him and the Department of State's new Security Technology Directorate. Another candidate has therefore been selected.  interest in SECOM is appreciated. I hope we will be able to select him to chair one of our subcommittees when your reorganization has been completed. Please express to him my appreciation for his interest and best wishes for success in his current tasks.
